EDUCATION

Universidad Católica de Temuco | Temuco, Chile **In progress**

IT Technician Degree

Relevant Courses: Programming (Java & Python Essentials), Networking Fundamentals, Linux System Administration.

TECHNICAL SKILLS

Programming Languages: Bash (Basics), Python (Essentials), Java (Basics: OOP).
Technical Tools: Git, GitHub, VirtualBox, Docker.
AI Tools: OpenCode (local).
Operating Systems: Linux, Windows.
Data & Office Tools: SQL (Basic), Advanced Excel – Google Sheets, Pandas(data cleaning & basic analysis).
Methodologies: Agile / Scrum (basic knowledge).
Soft Skills: Teamwork, Leadership.

PROJECTS

System Monitoring Script | Personal Project **2026**

- Built a command-line tool in **Bash** to monitor CPU temperature and fan speed using lm_sensors, with configurable threshold-based alerts and historical CSV logging.
- Used AI-assisted debugging to find and fix a data-parsing bug affecting sensor readings, improving the script's reliability.

debloaterBrowser | Personal Project **2026**

- Published a script on **GitHub** to automatically remove unnecessary bloatware and extensions from web browsers, written in **Bash and PowerShell.**

cve_lookup.py | Personal Project **2026**

- Python CLI tool that queries the public NVD API to search vulnerabilities (CVEs) by keyword and explain CVSS severity scores in Spanish.

PROFESSIONAL EXPERIENCE

Computer Repair Technician | Self-Employed | Temuco, Chile **Present**

- Independent micro-enterprise offering hardware diagnostics and repair services (thermal paste replacement, component repair, preventive maintenance) to neighbors in my area.
- Direct client communication, explaining diagnostics and technical solutions in plain language; end-to-end business management including quoting and repair tracking.

Spanish Tutor | Self-Employed | Remote (India) **2025**

- Taught Spanish lessons remotely to students in India via video calls, adapting content to different proficiency levels.
- Prepared lesson materials and tracked each student's progress across sessions.

LANGUAGES

Spanish (Native), English (B2/Intermediate), Hindi (Basic).
